Tyler Junior College welcomes students with disabilities who have the potential for academic success in the post-secondary educational environment. To request accommodations, the student with a disability should arrange an appointment with a Support Services counselor to obtain the **Request Accommodations Form (RAF)**. Appropriate documentation of physical or psycho/educational evaluation that meets TJC guidelines or a referral from an appropriate rehabilitation agency (Texas Department of Assistive and Rehabilitation Services) that clearly documents the disability and supports the need for accommodations must be submitted before any accommodations can be arranged. Students are encouraged to apply for assistance with Support Services four weeks prior to the beginning of the semester to allow for time for adequate coordination of services.

Prospective and current students, parents or others who seek additional information regarding Support Services should call: Voice 903-510-2395 or TDD 903-510-2394. Support Services is located on the second floor of the Rogers Student Center.

Tax Benefits for Students

Independent students and parents of dependent students should be aware that a number of educational tax benefits may be available to them when filing their federal income tax returns. Because deductions available vary widely according to individual circumstances, you should consult your tax advisor to see if any benefits are available to you. Information and applicable tax forms are also available at your local IRS office. The following list provides the common types of possible benefits about which you may want to inquire: (1) The HOPE Scholarship Tax Credit and/or Lifetime Learning Credit (TJC mails a Form 1098-T to each applicable student's permanent address in January); (2) Exemption of Employer-Provided Assistance; (3) Exemption of Scholarships and Tuition Remission; and (4) Deduction of Student Loan Interest.

ADVISEMENT AND REGISTRATION PROCEDURES

Students **must** meet with an Academic Advisor before attempting to register **IF** they: are a new high school graduate; are new to TJC; are non-TSI complete or exempt; are on academic probation; have less than a 2.0 GPA; or, need to change their major.

New Student Advising Process

1. Submit the following to the Admissions office in the White Administrative Services Center:

- A completed admission application. (An application form is available from the Admissions office or at www.tjc.edu/admissions/application.htm or the Texas common application at www.applytexas.org.)
- Official high school transcript or GED score report.
- Test scores (i.e., THEA, ACT, SAT, TAKS) if not listed on the high school transcript.

2. Determine Texas Success Initiative (TSI) or testing status through Admissions office:

- If THEA taken, *THEA exempt, or **THEA waived, go to step 3.
- If THEA testing has not been completed, go to the Testing Center (second floor of Rogers Student Center) to take the Accuplacer. (This is an alternative test to THEA—allow three hours to test. There is a fee of \$25 to be paid in the Testing Center before testing. Photo ID required.) Or check with the Testing Center for scheduled Quick THEA dates.

3. After meeting testing requirements, visit with an Academic Advisor for assistance with course selection. (A list of advising offices and possible majors is at the bottom of this page. Drop in or call for an appointment.)

The Academic Advisor helps new students with:

- Interpretation of test scores
- Information on campus resources
- Selecting a major
- Degree Plan and transfer information
- Course selection and registration
- Information on the registration process
- Clearance for registration

4. Check the printed *Registration Guide* or view it online at www.tjc.edu to choose course days and times.

5. If you are a new High School graduate, your Advisor will determine if you are eligible to register online. Notice deadline listed in the *Registration Guide*.

6. Pay tuition and fees by the deadline published in the *Registration Guide*. Secure parking permit and student ID card.

* Determined when an application is received. Texas Success Initiative (TSI) status is based upon scores from one of the following tests: ACT, SAT, TAKS. Students who are exempt from testing may still be required to take a TJC placement test or Accuplacer for placement.

**Includes students who are in a Certificate Program. See College Catalog for more information.

Returning Student Advising Process

The following are general registration procedures for returning students:

1. If it has been two years since attending TJC, please complete a new application for admission before seeing your Advisor and turn in transcripts from any college attended after TJC.

2. If you are non-TSI complete, have a GPA below 2.0, or need to change your major, you must meet with an Academic Advisor for assistance in course selection. (A list of advising offices and possible majors is at the bottom of this page. Drop in or call for an appointment.) If you are TSI complete (in college-level classes), and have over 12 hours credit, you are not required to meet with an advisor to register unless unsure what courses to take.

3. Check the printed *Registration Guide* or view it online at www.tjc.edu to choose course dates and times.

4. Register online, if eligible, before deadline listed in the *Registration Guide*.

5. Pay tuition and fees by the timeline published in the *Registration Guide*. Secure parking permit and student ID card.

Consider the following factors prior to registration:

A. Are you on scholastic probation?

- If so, you are required to see the academic advisor from your school (Allied Health and Nursing, Applied Studies, or University Studies) for assistance in course selection and information on study skills and tutorial resources. Be aware that, due to your GPA, you may be limited in the number of hours and type of courses for which you may enroll.

B. Do you plan to graduate this semester?

- If so, then follow the steps below:
 1. Plan to meet with an academic advisor for your major and/or in your school to confirm your graduation status.
 2. If necessary, request course waivers and/or substitutions for specific Degree Plan requirements.
 3. Apply for graduation with appropriate advisor for your major by the published deadline. (See the *College Catalog* for dates.)

Transfer Student Advising Process

1. Submit the following to the Admissions office in the White Administrative Services Center:

- A completed admission application. (An application form is available from the Admissions office or at www.tjc.edu/admissions/application.htm or the Texas common application at www.applytexas.org.)
- Official transcripts from all colleges previously attended.
- Test scores (i.e., THEA, ACT, SAT, TAKS) if not listed on a college transcript.

2. Determine Texas Success Initiative (TSI) status through the Admissions office: Remember, unless a student is *THEA exempt or in a **THEA waived certificate program, he/she must take the THEA or Accuplacer before registering at a Texas state public institution. A TJC placement test or Accuplacer may be required of some students regardless of their THEA status.

3. Contact the transcript evaluator in the Admissions office for an evaluation of transfer credits at 903-510-2123.

4. Meet with an Academic Advisor for assistance in course selection. Take a copy of your transcript with you. (A list of advising offices and majors is at the bottom of this page. Call for an appointment.)

The Academic Advisor helps the student with:

- Interpretation of test scores
- Information on campus resources
- Selecting a major
- Degree Plan and transfer information
- Graduation requirements
- Course selection
- Course waivers and substitutions
- Information on the registration process
- Clearance for registration

5. Check the printed *Registration Guide* or view it online at www.tjc.edu to choose course dates and times.

6. Register online before the deadline listed in the *Registration Guide*.

7. Pay tuition and fees by the timeline published in the *Registration Guide*. Secure parking permit and student ID card.

* Determined when an application is received. Texas Success Initiative (TSI) status is based upon scores from one of the following tests: ACT, SAT, TAKS. Students who are exempt from THEA may still be required to take a TJC placement test or Accuplacer for placement.

**Includes students who are in a Certificate Program. See College Catalog for more information.
